# THE COCKERMOUTH POST

## NATIONAL AWARD FOR STEPHEN

### Cockermouth Stands Proud as Stephen Beresford wins National Award at Alexandra Palace, London!

Stephen Beresford of Good Wood Boat Company, Cockermouth, recently attended the Royal Yachting Association National Dinghy Show in Alexandra Palace, London, with his first hand built racing dinghy to be displayed amongst the hundreds of other boats at this National Exhibition.

Steve had deliberately made as his first boat, a classic 1938 Uffa Fox designed National Redwing, a 14 foot clinker built racing dinghy widely recognised as one of the most challenging and difficult boats to build.

*Continued on page 5 with more photographs of Stephen's masterpiece!*

## THE GIRLS ARE BACK IN TOWN!

***It is good to see the Main Street shops slowly but surely re-opening and we are happy to report that the Cockermouth Paper Shop is up and running again and looking good after the refurbishment!***

Catherine and the girls are back in Town and very early at that! The Paper Shop opens, even before the early bird is up and about, at 4.00am on weekdays and through to 6.00pm. Saturday from 4.00am to 5.00pm. This gives you plenty of time to pop in and see them for your daily paper, sweets and that card you promised to send to auntie! Sunday opening times are from 4.00am to 1.00pm (everyone deserves an afternoon off). You might want to take advantage of their delivery service which is available and they even drive out to some of the surrounding villages too!

*Turn to page 17 to find out more !*
